LEAD THE WAY

KEEP YOUR TOYOTA GENUINE

- MAXE, a proudly South African company with nearly 30 years of experience.
- Supplier of Toyota-approved accessories for almost three decades.
- IATF 16949 quality certified.
- Awarded by Toyota SA for innovation, service, and design.
- Known for consistent superior quality and performance.

OUR QUALITY PROMISE

- Meet OEM specifications
- Vigorous testing of products
- Safety-first design
- Strong quality control
- Stainless steel high corrosion resistance
- Built for durability

5 REASONS TO INSIST ON MAXE APPROVED ACCESSORIES

QUALITY

Invest in uncompromising safety and guaranteed quality, durability and reliability

PERFECT FIT

MAXE Approved Accessories fit and function with precision and safety

EXPERTISE

Developed and approved by engineers with extensive knowledge on vehicle integration

CUSTOMISE

Wide range of products to suite your lifestyle

WARRANTY

All Toyota Genuine Accessories feature a 3 year Warranty

AIR BAG

Airbag compatible

DURABILITY

All our bars are durability tested to withstand the most extreme road conditions.

SIDE IMPACT

Side impact tested for side air bag deployment.

INCREASE YOUR CARRYING CAPACITY AND PROVIDE SECURE SIDE SUPPORT FOR TRANSPORTING LIVESTOCK, FEED, EQUIPMENT AND MORE.

-  **Heavy Duty Stainless Steel Construction**
Built from strong stainless steel tubing powder coated black and designed to handle tough farm and work environments.
-  **Modular or Removable Design**
Allowing to adjust quickly, giving flexibility for different hauling needs.
-  **Secure Tie Down Points**
Built in points for securing ropes, straps, and nets, making it easier to stabilize loads.
-  **Tailgate Compatibility**
Integrate design to fit with the bakkie's tailgate for easy loading and unloading.

DUST DEFENCE KIT

Reduce dust intrusion, protect equipment and cargo, improve driving comfort, and extend the lifespan of your interior components. With the MAXE Dust Defence Kit, **Your** bakkie will be cleaner, safer, and better prepared for those tough South African road conditions.

-  **Premium Tailgate Sealing System**
Engineered rubber and foam seals eliminate gaps around the tailgate and doors—the biggest entry points for dust on gravel roads. Designed to handle rugged South African conditions.
-  **Weather Resistant, Long Lasting Materials**
Manufactured with UV resistant, automotive grade rubber and high bond adhesives that withstand heat, vibration, and harsh off road environments. Built for durability, not quick fixes.
-  **Model Specific Fit for a Perfect Seal**
Each kit is custom designed for your bakkie model, ensuring an accurate fit that integrates seamlessly with the vehicle's body lines.
-  **Keeps Cargo Clean**
Reduces dust intrusion into the load bin, and tailgate area.

Dust Defence Kit: Hard sealed black rubber with metal plates

Part Number: PN3B20K020
Double Cab and Xtra Cab

Ideal for installation with **TONNEAU COVERS, ROLLER SHUTTERS AND CANOPIES.**

MAXE Warranty Policy & Liability Insurance

Aftermarket Product Range

Over and above MAXE's Warranty Policy below, MAXE also offers Liability Insurance, covering Product Liability to the value of R250 000 000 for any single occurrence.

1. What is covered by the Warranty Policy?

- Covers any defects in materials used to manufacture the products.
- Covers any defects in workmanship under normal use.

2. Exclusions from the Warranty Policy?

- Normal wear and tear, e.g., stone chips, abrasive cleaning, industrial fallout resulting in contamination, etc.
- Product fitment not carried out in accordance with the steps specified in the fitting instructions including correct torque settings.
- Any modifications or alterations made to the product.

3. Products and duration covered by the Warranty Policy?

- Corrosion of stainless-steel bars = 5 years.
- Powder coated and electro plated mild steel brackets and components = 12 months.
- Tonneau Covers:
 - stitching is guaranteed against loosening and fraying for a period of 12 months.
 - The PVC cover is guaranteed for a period of 2 years for any environmentally induced failure
 - LDPE extrusions are guaranteed against loosening and tearing for a period of 12 months.
 - Velcro joints are guaranteed to sustain adhesion under normal use for 12 months provided they are kept clean.
 - Aluminium extrusions and cross supports are guaranteed against malfunction in normal operation for a period of 3 years.

4. How MAXE will resolve an approved warranty claim?

- The product/component will be repaired or exchanged for a new product/component via the fitment centre where the product was initially purchased.

5. What customers should do to exchange or get a refund for an approved warranty claim?

- The product can be returned to the original dealership/fitment centre.
- Claims can be sent by e-mail (support@maxe.co.za) or communicated by phone (+27 31 713 2200). Please ensure all relevant documentation is on hand. Original invoice, proof of date of sale/fitment.
- A Maxe Technical Representative can be called to verify a claim.

Claims that are not accepted will be subject to shipping, handling and repacking fees.
