ROLLATOP

ROLLATOP

Add an additional security to your bakkie, reduce dust intrusion, protect equipment and cargo, improve driving comfort, and extend the lifespan of your interior components. With the MAXE RollaTop. Your bakkie will be cleaner, safer, and better prepared for those tough South African road conditions.

- ✓ **Sophisticated and functional design**
Ability to access the bin when the RollaTop is closed. Easy to install with clear instructions and guidelines. The pull strap assists in opening or closing the RollaTop without overstretching.
- ✓ **Outstanding security and protection for your load bin:**
Robust and uniquely engineered locking system, with a dual locking system. Unique interlocking slat design to prevent access to the load bin when the RollaTop is closed.
- ✓ **Model Specific Fit for a Perfect Seal**
Each RollaTop is custom designed for your bakkie model, ensuring an accurate fit that integrates seamlessly with the vehicle's body lines.
- ✓ **Keeps Cargo Clean**
Reduces dust intrusion into the load bin, and tailgate area.

Part No: 51095

DUST DEFENCE KIT

DUST DEFENCE KIT

Reduce dust intrusion, protect equipment and cargo, improve driving comfort, and extend the lifespan of your interior components. With the MAXE Dust Defence Kit, Your bakkie will be cleaner, safer, and better prepared for those tough South African road conditions.

- ✓ **Premium Tailgate Sealing System**
Engineered rubber and foam seals eliminate gaps around the tailgate and doors—the biggest entry points for dust on gravel roads. Designed to handle rugged South African conditions.
- ✓ **Weather Resistant, Long Lasting Materials**
Manufactured with UV resistant, automotive grade rubber and high bond adhesives that withstand heat, vibration, and harsh off road environments. Built for durability, not quick fixes.
- ✓ **Model Specific Fit for a Perfect Seal**
Each kit is custom designed for your bakkie model, ensuring an accurate fit that integrates seamlessly with the vehicle's body lines.
- ✓ **Keeps Cargo Clean**
Reduces dust intrusion into the load bin, and tailgate area.

Part No: 51096

Isuzu D-MAX Dust Defence Kit

Double Cab, Xtra Cab

Ideal for installation with tonneau covers, roller shutters and canopies.

MAXE

Warranty Policy & Liability Insurance

Over and above MAXE's Warranty Policy below, MAXE also offers Liability Insurance, covering **Product Liability to the value of R250 000 000** for any single occurrence.

1. What is covered by the Warranty Policy?

- Covers any defects in materials used to manufacture the products.
- Covers any defects in workmanship under normal use.

2. Exclusions from the Warranty Policy?

- Normal wear and tear, e.g., stone chips, abrasive cleaning, industrial fallout resulting in contamination, etc.
- Product fitment not carried out in accordance with the steps specified in the fitting instructions including correct torque settings.
- Any modifications or alterations made to the product.

3. Products and duration covered by the Warranty Policy?

- Corrosion of stainless-steel bars = 5 years.
- Powder coated and electro plated mild steel brackets and components = 12 months.
- Tonneau Covers:
 - stitching is guaranteed against loosening and fraying for a period of 12 months.
 - The PVC cover is guaranteed for a period of 2 years for any environmentally induced failure
 - LDPE extrusions are guaranteed against loosening and tearing for a period of 12 months.
 - Velcro joints are guaranteed to sustain adhesion under normal use for 12 months provided they are kept clean.
 - Aluminium extrusions and cross supports are guaranteed against malfunction in normal operation for a period of 3 years.

4. How MAXE will resolve an approved warranty claim?

- The product/component will be repaired or exchanged for a new product/component via the fitment centre where the product was initially purchased.

5. What customers should do to exchange or get a refund for an approved warranty claim?

- The product can be returned to the original dealership/fitment centre.
 - Claims can be sent by e-mail (support@maxe.co.za) or communicated by phone (+27 31 713 2200). Please ensure all relevant documentation is on hand.
Original invoice, proof of date of sale/fitment.
 - A Maxe Technical Representative can be called to verify a claim.
- Claims that are not accepted will be subject to shipping, handling and repacking fees.
