ROLLATOP

Add an additional security to your bakkie, reduce dust intrusion, protect equipment and cargo, improve driving comfort, and extend the lifespan of your interior components. With the MAXE RollaTop. Your bakkie will be cleaner, safer, and better prepared for those tough South African road conditions.

- **Sophisticated and functional design**
  Ability to access the bin when the RollaTop is closed. Easy to install with clear instructions and guidelines. The pull strap assists inopening or closing theRollaTop without overstretching.
- **Outstanding security and protection for your load bin:**
  Robust and uniquely engineered locking system, with a dual locking system. Unique interlocking slat design to prevent access to the load bin when the RollaTop is closed.
- **Model Specific Fit for a Perfect Seal**
  Each RollaTop is custom designed for your bakkie model, ensuring an accurate fit that integrates seamlessly with the vehicle's body lines.
- **Keeps Cargo Clean**
  Reduces dust intrusion into the load bin, and tailgate area.

DUST DEFENCE KIT

DUST DEFENCE KIT

Reduce dust intrusion, protect equipment and cargo, improve driving comfort, and extend the lifespan of your interior components. With the MAXE Dust Defence Kit, Your bakkie will be cleaner, safer, and better prepared for those tough South African road conditions.

- **Premium Tailgate Sealing System**
  Engineered rubber and foam seals eliminate gaps around the tailgate and doors—the biggest entry points for dust on gravel roads. Designed to handle rugged South African conditions.

- **Weather Resistant, Long Lasting Materials**
  Manufactured with UV resistant, automotive grade rubber and high bond adhesives that withstand heat, vibration, and harsh off road environments. Built for durability, not quick fixes.

- **Model Specific Fit for a Perfect Seal**
  Each kit is custom designed for your bakkie model, ensuring an accurate fit that integrates seamlessly with the vehicle's body lines.

- **Keeps Cargo Clean**
  Reduces dust intrusion into the load bin, and tailgate area.

Part No: 51096
